

16 September 2022

Ms Gaye Gronert
The Alfred Hospital
PO Box 315
PRAHRAN VIC 3181

Dear Gaye

I am pleased to inform you that the following site has provided the necessary documentation to demonstrate compliance against the Diagnostic Imaging Accreditation Scheme Standards (2015).

LSPN: 002241
The Alfred Hospital

In accordance with the *Health Insurance (Diagnostic Imaging Accreditation) Instrument* (2020), accreditation has been granted to the full suite of Practice Accreditation Standards from 15 September 2022 for a period of four years. A certificate for the site has been enclosed.

Modalities accredited

Angiography
Computed Tomography
Fluoroscopy
Diagnostic Radiology
Magnetic Resonance Imaging
Mammography
Nuclear Medicine
Orthopantomography
Ultrasound

Questionnaire and non-conformances

A questionnaire report is enclosed. This report is a hardcopy version of the questionnaire that you have completed for this reaccreditation. Some items may require you to take action before your next reaccreditation.

Bentley WA 6102
Tel: 08 9486 2800

Any items in the report requiring your attention are highlighted.

NATA expects that you will address these matters as soon as possible.

Medicare benefits

Medicare rebates for the above services can be provided from 15 September 2022 until 14 September 2026.

Promoting your accreditation

To assist your practice in promoting your Diagnostic Imaging Accreditation, a window sticker has been enclosed which can be displayed at your practice.

In addition, you are now eligible to include the “NATA DIAS” logo on relevant marketing material, including request forms and reports. The NATA logo for DIAS is described in the NATA General Accreditation Criteria documents located on the NATA website www.nata.com.au. Please contact the Diagnostic Imaging team on 03 9274 8200 should you require any assistance.

Next Audit

To remain eligible for Medicare funded services after 14 September 2026 your practice must complete and be granted accreditation against the full suite of Practice Accreditation Standards. We will send you a reminder closer to this date. When you are ready to commence your next questionnaire, please contact the Diagnostic Imaging team at diaccreditation@nata.com.au or by telephone on 03 9274 8200.

Conditions of accreditation

Continuing accreditation is dependent on your compliance with the Diagnostic Imaging Accreditation Scheme Standards (2015).

As you are the contact for your facility, it is requested that you advise NATA within 28 days if:

- There is a change in the name or ownership of the site;
- There is a change in the address of the site/premises;
- There is a change in the contact person or their contact details;
- There is a change in equipment; or
- Any additional modalities are undertaken by the site.

Reconsiderations

Requests for reconsiderations of the accreditation decision may be made in writing within 28 days of the date of the accreditation decision (i.e. from the date of this letter). Requests for reconsideration should be forwarded to:

Mr Andrew Griffin
Sector Manager - Legal & Clinical Services
National Association of Testing Authorities, Australia (NATA)
2-6 Railway Parade Camberwell Vic 3124
Andrew.Griffin@nata.com.au

Variations

Please contact our team if you have any variation to your accreditation (eg, address, practice name, LSPN, equipment or modalities).

Yours sincerely

p.p

Jennifer Evans
CHIEF EXECUTIVE OFFICER, NATA
